SALEM RADIO NETWORK

Howard Garrett's **WEEKLY RADIO PROGRAMS** are converting the world to organics.

Howard Garrett offers your listeners the best information and advice on how to live and garden organically. Saturday's **Green Living** focuses on home care, pet health and care, pest control, and a better, more natural way to live life. Sunday's **The Dirt Doctor** explores natural organic gardening, landscaping, and pest control. The world is going green and organic, and Howard Garrett helps people understand how to do it in a successful, cost-effective way.
