### **The ONLY Radio Show with it's OWN Airshow ACT**

Reno, NV, 11/05/2018 The RenegadeAV8R Radio Show with David Costa is now available on the Salem Radio Network. SRN is a full service radio network out of Dallas, Texas with an XDS platform that reaches over 2900 stations nationwide.

David Costa is the RenegadeAV8R. This show is about aviation, but it is not just for people who love aviation. If you like a positive message, finding your passion and achieving goals, you will find it here. David promotes aviation and the power of the individual.

The RenegadeAV8R with David Costa combines his radio show with a jet airshow team that can be seen at airshows across North America. He flies high-performance jet aircraft and provides coaching to pilots who want to reach elite status. David is also called upon as a pilot expert in addition to his corporate jet management business.

David lives in Reno, with his wife and 2 daughters, when not living at home....he is living the dream, flying airplanes from vintage aircraft to jet fighters.
